GABRIEL  PALATCHI

BIO.

Gabriel Palatchi was born on August 3, 1982 in Buenos Aires, Argentina. He started playing piano at age 8, going on to study classical music at the conservatory Manuel de Falla school in Argentina, eventually leading to a high school Musical Production degree. Gabriel then went on to pursue a degree in music from the Berklee International School in Argentina. During this time, he studied under many great teachers of Blues, Tango, Jazz and Latin Jazz.

After graduating in 2008, he packed up his piano and traveled abroad to build on his musical experiences. It was in Cuba where he met and studied with the world renowned pianist "Chucho" Valdez. Gabriel continues to travel extensively, performing and composing throughout Mexico and Canada. These diverse musical experiences led to the composition and production of his first solo album entitled "Diario de Viaje" (Travel Diary), recorded in 2010 in Mexico City, which was chosen as one of the best Latin Jazz CD's of the year by JAZZ FM TORONTO.

His second album, 'Caja Musical' was recorded in Buenos Aires, Argentina in May 2013. Both productions feature musical arrangements from over 20 accomplished musicians from Latin America. His music is being played on radio stations all over the world from Alaska through South America, Europe, the Middle East and Australia. It has been reviewed and featured on the Latin Jazz Network, Ejazznews, Rolling Stone Magazine, The Toronto Star, Salsa Son Timba Colombia, World Music Report, Newstime South Africa, and many others.

Gabriel's music is an original blend of different genres such as Latin Jazz, Tango, Funk and Middle Eastern, a representation of the many cultures which have influenced his music.

Currently, Gabriel splits his time between Canada, Mexico and Argentina. The band has performed at many international music festivals such as the Vancouver Jazz Festival, Victoria Jazz Festival, Sunfest Festival, Orangeville Jazz Festival, Quebec City Jazz Festival, Waterloo Jazz Festival, Kaslo Jazz Festival, Sherbrooke World Music Festival, Regina Jazz Festival, Puerto Morelos Music Festival, Kispix Valley Festival, Artswells Festival, Caribbean Days Festival and Starbelly Jam Festival among many others.

The new and 3rd album TRIVOLUTION has been recorded and released in Mexico City in June 2015. Since then, it has received several awards and positive reviews. The album presents a trio concept featuring Jose "Chema" Gonzalez on drums, Kerry Galloway on electric bass and special guests. "The Trivolution CD release Tour" includes countries like Argentina, Mexico, Canada and Europe during 2015 and 2016.
